WOODSIDE FACING LACK OF FIRE PROTECTION IN RILEY BILL FUND TIE-UP

District Directors Appeal to State Equalization Board for Aid

Woodside, with its millions invested in wooded estate homes, faces the serious prospect today of going without fire protection for the next eight months unless a provision of the Riley bill can be circumvented.

In a letter to the state board of equalization, directors of the district declared today that an emergency exists and must be recognized as such.

The difficulty came about through the recent purchase of a new fire truck that cost $6,681. This was to have been met principally from a $6,113 balance which the district has been "nursing" over a period of years so that the burden of buying new apparatus would not fall all at once on the taxpayers.

Under the Riley bill, however, this $6,113 balance is "frozen" for two years and cannot be touched, County Auditor Edward Stack reports.

If the fire truck is then paid for from the 1933-34 spending limit of $7,820.69, plus the already-incurred operating expenses to date, the district will be $967 in the "red."

It would mean complete shutdown of the fire department as operating expenses and firemen's salaries would be unpayable.

Expenses to date amount to $503.29 for July, $595.46 for August, $7,142.60 for September (including purchase of the fire truck, and $546.48 so far in October.

This brings the four months' expense to $8,787.83. The spending limit of the district is $7,820.69. The difference is $967.14 in the "red."

The district asked $7,500, and planned on having the $6,113.02, or enough to buy the fire truck and operate the district in 1933-34.

Directors of the district say they contracted to purchase the truck in the fiscal year of 1932-33 before the Riley bill affected the $6,113 surplus. They hold that the mere delay in delivery should not place the purchase against the 1933-34 budget.

If the state board cannot agree with this view, the directors declare the fire department will be "put out of business" and will be "unable to function further in protecting the lives of the people of the district."

Directors are Edward L. Beck, F. H. Mighall and E. T. Harrison.

RED CROSS CALL NEAR

Roll to Be Taken In November; Plans Being Made

At a meeting held at the office of the chamber of commerce Monday, preliminary plans were laid by the committee representing the local Lions club for conducting the annual Roll Call of the American Red Cross in Redwood City this year. The Roll Call will open Armistice Day, November 11, and continue to Thanksgiving Day. The Lions club, as part of its national objective, has successfully carried on the campaign here for the past several years.

Dr. W. H. Taylor, chairman of the committee, presided at last night's meeting. Others on the committee are Thomas J. Cutting, last year's Roll Call chairman; Wayne Millington, Norman Menifee, Carroll D. Hall and Perry Bygdness. Mrs. Z. T. Thorning, local chapter chairman; J. D. Hedge, vice chairman and Fire Chief Mark E. Ryan, who is also chairman of the disaster relief committee of the Red Cross in Redwood City, were also present.

To District City

In an effort to enroll practically every man and woman in Redwood City, the city will be divided into districts and workers assigned each district. The service clubs, Veterans of Foreign Wars, the American Legion and women's auxiliaries, women of the Relief Corps, lodges and other organizations, will be asked to cooperate.

Emerald Lake, North Fair Oaks, Dumbarton Oaks, Woodside and the north Atherton section, which are in the Redwood City Red Cross district, will also be thoroughly canvassed. Aid will be given by the committee to Menlo Park, which is now a branch of the Redwood City chapter.

Funds Needed

Funds are needed to continue the Red Cross relief work in Redwood City, especially during the coming winter months. All of the money raised last year in the Roll Call has been used in caring for the needs of the distressed during the past year. Despite the improvement in unemployment conditions, it is expected that the demands on the Red Cross will again be heavy this year. Memberships in the organization, through the annual Roll Calls, are the only means for the chapter securing funds to continue its activities. The need of the full co-operation of all individuals in the district, therefore, is very apparent.

A summary of the relief activities of the local Red Cross chapter during the past year will be published later in The Tribune.

BOOKED ON BATTERY

SAN BRUNO, Oct. 19.—Art Bowen, 51, barber, was booked by Police Chief William Maher in the county jail at Redwood City last night on a charge of battery.

There are 200,000 one-family buildings in New York City.

NURSE PAY IS HELD UP

Supervisors Declare Co. Health Chief Defied Board

Pay of Miss Hilda Schneider, who arrived here Monday from Santa Barbara to take up her duties as public health nurse, was ordered held up today by the board of supervisors.

Dr. C. V. Thompson, chairman of the board of supervisors, declared that Dr. Harold Morrison, San Mateo county health officer, had been instructed not to hire Miss Schneider until some future date.

The board chairman declared that Dr. Morrison defied the board of health's orders in summoning Miss Schneider and in filing her appointment yesterday with County Clerk Elmore B. Hinman.

County Manager Walter T. Kellogg called the situation to the board's attention and stated that in view of the fact that Miss Schneider was here that she would require a car.

The board, however, upon motion of Supervisor Francis and second of Supervisor Albert Witt, ordered her pay held up by County Auditor Edward Stack and instructed Purchasing Agent Ernest Werder not to buy her a car.

Reasons for the move by the health board and the county board were that the county did not have the funds at this time for a public health nurse.

"If I don't have a health nurse I'll be the laughing stock of America," Dr. Morrison told the supervisors at a recent meeting.

Burlingame, S. M. To Ask U. S. Aid For Sewage Plant

BURLINGAME, Oct. 17—Burlingame, San Mateo and Hillsborough are planning to construct two sewage disposal plants, with federal financial assistance.

At the local conucil meeting last night, recommendations of a joint committee for the three cities were heard. They are that one plant serve Burlingame and north Hillsborough, and another serve San Mateo and south Hillsborough.

Burlingame's plant would cost about $120,000 and a donation from the public works fund of 30 per cent is anticipated.

San Mateo's council agreed to proceed at once with plans to get a federal loan of $102,840 and a gift of $37,410 for its disposal plant.

Both cities will confer with Hillsborough to determine the later's share of the cost.

Air Pageant Being Planned for S. M.

SAN MATEO, Oct. 16.—Plans were being formulated today for an outstanding air pageant to be held at the Curtiss-Wright field at Beresford on December 16 and 17.

Capt. Frank A. Flynn, noted flyer, announces that the National Aeronautic Association has sanctioned the event.

Shellac Blasts At Fuller Plant Cause Damage

Sticky Varnish Gums Equipment Used By Firemen

SOUTH SAN FRANCISCO, Oct. 19.—Explosion of three 500-gallon tanks of shellac shortly before noon today threatened for a time to destroy the huge plant of W. P. Fuller & Company, largest paint manufacturers on the west coast.

The first blast, which blew out two sections of the westerly wall of the main building of the plant, was followed by some 15 or 20 minor explosions as additional smaller drums of 50-gallon capacity were ignited.

Fire Chief Alec Welte said after hasty examination that the cause of the fire appeared to be a spark from an electric switch which ignited highly inflammable vapors arising from tanks in the storage department at the rear of the main building.

Welte placed an estimate of the damage at $50,000, but company officials withheld estimates and probable causes of the blaze pending an investigation by insurance adjusters.

No firemen or plant employes were hurt in the blast and fire. Firemen were considerably hampered by the gummy, flaming mass let loose when the tanks gave way. Their equipment was also gummed up by the sticky shellac and varnish.

The fire was confined to the rear of the main manufacturing plant, but for a time burned so fiercely that a call for two trucks was sent to San Francisco. This equipment was to be used in pumping water from the bay in the event the blaze spread out of control.

The nearest plant to the Fuller company is that of the Marine Cherical Company, which was endangered but not ignited.

Driver Given Five Days for Crashing Car

Otto M. Pedersen, 45, of Brisbane, was given a five-day sentence in the county jail today by Justice of the Peace Edward Farrell on a charge of reckless driving after three companions had been injured in an automobile accident near Brisbane Sunday night.

The injured are Charles Barrett, 246 Mission street, San Francisco, contusions over the kidneys and fractures of several ribs; Carl Rasumssen, 40, of 9 Mission street, San Francisco, fracture of the left forearm, and Harry Settenberg, Commodore Hotel, San Francisco, severe fractures of several ribs.

Capt. Paul Perussina said Pedersen failed to turn into the proper road leading to Brisbane off the Bayshore highway and ran down a ditch. The injured men fell out or were pinned against the rocks, Perussina said.

In another accident, Miss Doris Awalt, 22, of 630 Bailey avenue, Mountain View, suffered cuts on the face, and Miss C. Haulman, 16; Miss L. Haulman, 21, and Mrs. L. J. Haulman, 49, incurred severe shock.

Cars driven by Joan A. Gillman, 41, of 2814 Pierce street, San Francisco, and Elsworth J. Haulman, 1283 California street, Mountain View, collided on the Bayshore highway at the San Bruno intersection.

County Harbor Incorporation Papers Filed

Secretary of State Frank C. Jordan today had issued a certificate of incorporation of the San Mateo County Harbor District.

This is the first district certificated under a law drafted by City Attorney Albert Mansfield and adopted by the legislature some years ago to push the Redwood City harbor project.

Voters some months ago gave their approval of the district. Directors named in the certificate are Henry Beeger, Redwood City; S. A. Keyston, San Mateo, and President Percy J. Shaw, South San Francisco. Keyston is secretary.

Among the arms, munitions, etc., which Germany has either handed over to the Allies or destroyed are 14,000 airplanes, 315 submarines, 83 torpedo boats, 6,000,000 rifles and small arms, and 107,000 machine guns.

Husbands Can Go To Cooking School Coming Here Soon

Come on, husbands, you are welcome, too, this time!

The last session of The Tribune cooking school next week will be held in the evening, beginning at 7 o'clock. This will give the men of Redwood City a chance to attend the school with their wives and learn all about the art of cooking.

There is no joking about this invitation and a record crowd is expected.

The cooking school, under the direction of Hester Heath, noted home economist, will be held Tuesday, Wednesday and Thursday, October 24, 25 and 26 from 2 to 4 p. m. and on Friday evening, October 27, at 7:15. It will be held at the parochial school auditorium, corner Katherine and Grand streets.

Everyone is invited. Admission is free.

Costa Eligible; Sequoia Has Not Forfeited Game

Sequoia Union High School officials today ran into the ground once and for all reports that the Sequoia varsity football team had been forced to forfeit its 14 to 0 victory last week over Burlingame because of the unfounded claims of the ineligibility of John Costa, fullback.

Principal A. C. Argo of Sequoia, who is president of the Peninsula Athletic League, issued a flat denial this morning that there is any doubt about Costa's eligibility, either because of age or too many semesters in school, and substantiated his statement with records from Sequoia and from San Mateo high and elementary schools that the athlete attended before his transfer to Sequoia in 1931.

Confirms Tribune Story

Confirming the news story in last Saturday's Tribune that Costa is eligible and that Sequoia's lead toward the P. A. L. championship is safe to date by virtue of a victory in the crucial Burlingame contest, a group of Sequoia officials obtained from San Mateo school heads this morning statements clearing the Redwood City player.

After a conference with Principal F. J. McConville of the San Mateo high school and Homer Martin, superinendent of the San Mateo high school and junior college district, Principal Argo announced that the matter is definitely closed. Accompanying him were James D. Hedge, president of the board of trustees, and Frank J. Griffin, head of the Sequoia physical education department.

San Mateo school authorities were in no way held responsible by Principal Argo for the rumors, which were traced to a peninsula high school graduate and former classmate of Costa. The reports were given credence in the form of an outright newspaper statement that Sequoia had forfeited the game.

Files Show Data

High school files here and affidavits from San Mateo school officials show that Costa was at San Mateo high school for one semester in 1927 and in 1928; registered and later withdrew in another semester in 1928, and entered Sequoia January 19, 1931. He is now in his sixth semester at Sequoia, which places him well within the eligibility limit.

A native of the Azores islands, he has no official birth record here but records from his elementary school registration at San Mateo give his birth date as March 19, 1914, and again as March 19, 1913, either of which would make him under the age limit of 21. He has been classed as a satisfactory student in each of the schools he has attended.

Martin's Statement

Superintendent Martin sent the following letter to Mr. Argo today:

As you requested, I have personally checked over the attendance record of John Costa in the San Mateo high school. John attended San Mateo high school two semesters and eight weeks of a third semester.

According to P.A.L. rules, this would count as two semesters of attendance. Our records show that John is under 21 years of age.

I am very sorry that publicity has been given to rumors that John is not eligible to play in inter-school athletics in this league. As John is now attending his sixth semester at Sequoia, he is at present completing his eighth semester and consequently is eligible to compete in P. A. L. games as far as his record here is concerned.

HOMER MARTIN,
Superintendent, San Mateo Union High School and Junior College District.

Co. Plumbers' Code Put Off For One Week

New Relief Projects Get Approval of Supervisors

Adoption of a plumbing code for the unincorporated area of San Mateo county was postponed to next Monday by the board of supervisors Monday.

The code would call for the issuance of permits, licensing of plumbers and regulation of the construction and repair of plumbing, gas fitting and sewer construction pertaining to dwellings and other buildings.

Buildings situated on a parcel of ground of five acres or more and which are situated at least 50 feet from adjoining property lines would be exempted.

Permit fees of $2 would be charged, and plumbing licenses would cost $12 annually.

Approve Projects

The supervisors approved a new list of relief projects to cost $1950.

These include $900 for paving of the parking area at the San Mateo municipal golf course at Coyote Point; $300 for work on the South San Francisco outfall sewer; $450 for improvement of the Lake Merced sewers in the Colma district, and $300 for spading the grounds and planting lawn and shubbery at the juvenile home in Redwood City.

Deed from R. O. Bolman for Lots 43 and 44 on the La Honda road widening were accepted by the board and a price of $400 was agreed upon for the right of way.

The city of San Mateo's planning commission and the Burlingame Woman's Club protested the proposed shelter camp at San Mateo.

Ask Road Improvement

Residents of the Bear Gulch road west of the Skyline boulevard and running to the Ralston ranch asked the installation of 12 drainage culverts. The taxpayers agreed to pay for the labor if the county will supply the material.

J. S. Bennetts resigned as a member of the Brisbane Fire District Commission and the board recommended the appointment of Joseph Miller. Instead, the board appointed Thomas Slater to the post, who had been recommended by the Voters' League of Brisbane.

Streets Abandoned

Several streets in Menlo Heights, which had never been used for public purposes, according to Attorney Elinor Falvey and Norwood Smith, petitioner, were abandoned by the supervisors.

The town of San Carlos asked the board to wipe out $12.51 worth of taxes on lots 19 and 29 in block 42, which had been given to the city for municipal purposes.

The San Francisco Water Department protested the condition of the wooden bridge over the main street in Brisbane and asked that it be given attention.

'Beer Drowsy' Truck Driver Under Arrest

Attracting the attention of Capt. Paul Perussina by his slumped position over the wheel, Rufus S. Williams, 28, Tracy truck operator, was arrested late Tuesday on a charge of reckless driving.

Before Prussina could stop Williams, the speeding truck had passed dangerously between two automobiles and ran into a salt pond north of Belmont on the Bayshore highway, Deputy District Attorney Harold Anderson was informed.

Williams told Anderson that he had consumed four glasses of beer in a San Francisco brewery while waiting to have the truck loaded with a supply for Tracy distributors.

This was free beer served by the brewery and Williams told Anderson he remembered visiting the bar four times. He would not admit any more, Anderson said.

The motorist said he went to sleep at the wheel. He said he had only five hours sleep the night before he left Tracy.

Williams' truck was wrecked. It was loaded with automobile radiators as well as kegs of beer.

Veterans' Council Postpones Meeting

President A. J. Dempsey of the United War Veterans' Council announces that the regular meeting will be postponed Friday night because of the district meeting of the American Legion in Burlingame. The meeting will be held on Friday, October 27.

FILL-AND-COVER SYSTEM OF GARBAGE DISPOSAL AT AIRPORT DEMONSTRATED

S. F. Executives Explain Aims And Methods to Newspapermen

SAN FRANCISCO'S plans to make Mills Field the air's "grand central" of the west were outlined to newspapermen by metropolitan executives headed by Chief Administrative Officer Alfred J. Cleary in a tour Tuesday.

The purpose of the meeting was to point out the proposed reclamation of some 25 acres of tidelands so that San Francisco can build a cross-field runway to meet the stringent requirements of the federal air regulations.

Fill for the 25-acre area would be San Francisco's much-disputed garbage, which would be dumped at the San Bruno field instead of at Bayshore.

Engineering and health experts of San Francisco pointed out that the most sanitary method of dumping the garbage would be used.

This includes the building of a levee behind which the garbage would be placed. The garbage would then be covered by mud suctioned from the bay off Mills Field. The top of the whole mass would then be covered by several feet of earth blasted from nearby hills.

Precautions would be taken to prevent any of the garbage from escaping past the levee and washing into the bay waters.

Prevailing winds at Mills Field are away from the Bayshore highway, and the dump would be at least one mile from the nearest habitable buildings, Cleary pointed out.

The feature of the proposed Mills Field dump is that all peninsula cities would be invited to use the airport for the same purpose.

The peninsula garbage, according to Cleary, could be dumped in the latest accepted sanitary methods at a cost of less than $1 per ton.

Every requirement that the San Mateo county supervisors could lay down for sanitary measures would be included in the agreement worked out with the scavengers' union, Cleary said.

The proposed Mills Field dump would eliminate the necessity of individual cities maintaining "open face" disposal grounds at various points.

South San Francisco's dump, situated near the packing plants —with the garbage and refuse being thrown loosely into the bay as fill—was pointed out by E. E. Bramble, South San Francisco and San Bruno publisher, as one of the greatest menaces to health existing on the peninsula. He said the state authorities had condemned the dump and that some other plan had to be found for disposal.

Other cities, it was said, maintain similar dumps, with none of them using the "fill and cover" method employed by San Francisco at Bayshore.

Cleary took the newspapermen to Bayshore to have them view the operation there of the disposal methods.

While there, some 10 to 12 carloads of garbage were hauled in by train. Almost before the huge open cars had come to a halt, the three power shovels began the task of unloading the mass.

The garbage was scooped from the cars and dropped onto the tidelands. Several power scrapers then flattened out and compressed the refuse. This step was followed by filling with several feet of earth secured from nearby hills. The final precaution against rats, flies and odors was taken when a dredger scooped up mud from the bay to seal the outer edges of the dump.

Land already reclaimed in the vicinity was declared ready for light industry, and buildings could be erected by piling.

Edward Cahill, manager of San Francisco's utilities, informed the newspapermen that unless San Francisco can make the proposed fill at Mills Field, the airport will be doomed. He said ultimatums had been handed down by the federal department that only temporary permits can be given Mills Field for further operation by the large transport companies unless the extra runway is constructed.

The existing runway is satisfactory only under normal weather conditions.

Mills Field's growth under Capt. B. M. Doolin was declared to be 900 per cent in little over a year, with six major companies now using the airport. Daily arrivals and departures now total 45, Doolin reported.

Cahill declared that Mills Field lost one airplane manufacturing plant employing 1200 people because the field was not adequate as it stood.

He declared that there is the chance of securing a large air transport firm having a $60,000 monthly payroll if the enlarged field is ready in another year.

Airplane industries, it was predicted, would fill up the airport acreages just as quickly as possible after reclamation.

San Francisco has secured a 30 per cent grant from the federal government toward new improvements at the airport to cost $265,000. Cahill reports that San Francisco has already spent $1,000,000 at the airport, and has pledged itself to expend $600,000 more.

In the party yesterday were Cleary, Cahill, City Engineer John Casey, Assistant City Engineer Clyde Healy, Director of Public Works William Worden, Captain Doolin, Bramble, Horace W. Amphlett, A. B. Cargill and William Vielhauer.

Frat Initiation May Be Back of Blaze

MENLO PARK, Oct. 17.—On the suspicion that a fraternity initiation may have been the cause of the blaze which called out the local fire department to San Francisquito Creek and the Pope street bridge, North Palo Alto, on Sunday, Fire Chief Thomas Cuff today planned to question Edward T. Maples Jr., sophomore pledge to Theta Delta Chi.

Cuff says he was informed that Maples was told to "build a fire in the creek to warm himself" and believes the fire spread beyond the youth's control. No damage resulted. If Cuff finds the story true, he says the fraternity will be billed for the cost of sending the fire engines to the scene.

SCOTT SEEKS TO ABATE BADEN DOG RACE TRACK

On the ground that alleged violations of the state gambling statutes at the Baden Kennel Club in the use of the option system "are injurious to and disturb the public welfare, corrupt public morals and offend public decency," District Attorney Edmund Scott Tuesday filed abatement proceedings against the track.

Scott asked a permanent restraining order preventing the further operation of the club.

Superior Judge Franklin Swart, to whose court the proceeding was assigned, ordered the defendants to appear in court before him at 10 o'clock next Monday to show cause why Scott's plea for a restraining order should not be granted.

It is charged by Scott in his complaint that the Baden club is conducted and operated "as a gaming and gambling resort" and a "great number of persons do resort, nightly, to said place for the purpose of gaming and gambling."

The defendants, according to Scott, "permit and conduct the running of the races, the purchasing of options, the laying of wagers and bets upon the outcome of trials and contests of speed, skill and power of endurance between beasts, namely dogs, and between dogs and a mechanical device, in violation of the laws of the state of California and threaten to continue to do these acts in the future unless enjoined by this court."

Scott's purpose in taking the abatement method for relief is on the ground that the only remedy of law open to the state is a series of prosecutions for violating the gambling laws, "which will be costly to the plaintiff, and the defendants would not be prevented thereby from continuing to operate and maintain such premises during the pendency of the prosecutions."

Delay attendant upon prosecution of the cases would not bring the immediate relief asked by the people, Scott said.

Defendants named in the action are the Baden Kennel Club, Western Greyhound Breeders' Association, E. P. Kaufman, George Kneese, R. C. Stickle, Tom Kyne, W. E. Kyne, E. Georgetti, and others.

The complaint was prepared by Assistant District Attorney Richard O. Bell.

Bond Vote On Storm Sewers Under Study

Highway Widening Is Discussed At Council Meet

Advisability of calling a bond election to finance construction of storm sewers in various parts of the city was debated by the city council Monday night.

The matter was brought up at this time for two reasons:

1. The storm sewers are admittedly needed to care for flood waters caused by rains. They will have to be built sometime.

2. Thirty per cent of the cost may be obtained as a gift from the federal government, under the terms of the public works and recovery acts.

It is estimated by the city engineer that $120,000 will be needed.

The election would be held in connection with the state election December 19, when the great valley water project will be submitted.

It was pointed out that a storm sewer on El Camino Real, in the vicinity of Five Points, may help to hasten widening of that highway by the state. It is not proposed to build the sewer for the state, however, without adequate compensation in one form or another.

The council will meet next Monday night to decide whether or not to call the election.

Several owners of property on El Camino Real addressed the council on the subject of the proposed widening of the thoroughfare. It was declared that the lack of information as to the intentions of the state regarding the highway here is working a hardship on the property owners. Among those who spoke were Mrs. A. Lesseman, Mrs. Margaret Chapman, Miss Adanell Gerwin, William Hohn and Al Davies.

The council replied that it recognized the importance of the situation, and that it was determined that the property owners should not be burdened, and that they should be kept informed of developments as soon as the council itself got something definite from the state highway commission.

The council is still reluctant to turn over the city's portion of El Camino Real to the state without complete assurance that it will still be able to control traffic at intersections, and have other privileges.

At the request of veterans' organizations, the council voted to spend not over $300 to provide a heating system for Veterans' Hall.

The council again discussed the possibility of operating the Emerald Lake Golf Course as a municipal course. City Manager E. A. Rolison and Councilman Paul McCarthy visited the municipal course at Pacific Grove recently, and reported their findings.

The course there charges a green fee of 25 cents. It has about 200 players on Sundays, 150 on Saturdays and 100 on week days. It is self-sustaining.

It is understood that the city has the opportunity to take an option on the local course for one year and operate it, if it will pay the taxes, and then buy the property for $25,000 at the end of the period, if it desires so to do.

The possibility of obtaining guaranteed contributing memberships to provide part of the income was discussed. This has been done elsewhere.

Madson Held to Answer Here In Hit-Run Deaths

Held to answer on four counts, Fred H. Madson Jr. of Gilroy was bound over to the superior court this afternoon following his preliminary hearing before Justice on Tuesday following his pre- Monday.

Auliffe in connection with the hit-run deaths of Francisco del Valle, wealthy Mexican rancher, and his daughter, Maria, at Menlo Park.

Former Deputy's Furniture Load Burned In Blaze

Fire destroyed a trailer and load of furniture being taken to Oakland by former Deputy Sheriff C. A. Callaghan of Belmont on the Bayshore highway

Callaghan reported to Capt. Paul Perussina and State Officer Chester Kreiss that he believed someone threw a lighted cigarette into the load.

The loss was about $500.

Threat to Free Press

If anyone was so simple as to suppose that the NRA did not hold a threat against the freedom of the press the news from Tallassee, Ala., ought to clarify his understanding.

Mr. Eugene H. Dunnegan, a labor conciliator, was sent to that town to settle a coal strike. According to the editor of The Tallassee Tribune this government agent informed the newspaper that its articles were in violation of NRA and threatened prosecution. According to Mr. Dunnegan's version, he did not threaten prosecution, but he did tell the writer that his editorials were in violation of NRA.

Whichever version is correct, the moral is plain. The agent of a government which asserts the right to license a newspaper to print or not to print does not have to threaten to accomplish his purpose. Unless a journal is extraordinarily strong financially and its editor extraordinarily independent and courageous, he can scarcely fail to pay some heed to such criticism.

That is the vice of the whole license system if applied to the press. After the Tallassee episode was strongly protested Miss Perkins sent out a departmental order forbidding agents to attempt to influence news or editorials. But if the right to license, upon whatever basis, is asserted by Washington and should ever be admitted by the press, such an order would not be worth the paper it was written on. The mere knowledge that some bureaucrat in Washington held the life and death of a newspaper in his hands would constantly and imperceptibly influence its news and its comment. There might be a Dunnegan to blurt out an open threat or there might not. The unspoken threat would remain.

The episode in Alabama is simply a petty illustration of a fundamental truth which the whole country should clearly understand.

Poole Residence Being Dismantled

The J. W. Poole residence on Jefferson avenue is being dismantled, the site having been purchased by the government for a postoffice location. Over sixty years ago the ancient building was erected. It was occupied by the supervisor's father when the latter was postmaster of this city in the nineties. The old land mark passes but will live in memory until the last pioneer answers the final summons.

What a Bladder Physic

Should do. Work on the bladder as castor oil on the bowels. Drive out impurities and excess acids that cause irritation which results in getting up nights, frequent desire, burning, leg pains or backache. BUKETS (5 gr. Tablets) is a pleasant bladder physic. H. E. M'Arthur Dead Following Auto Injuries

Funeral services were held on Tuesday for the late Hugh Ernest MacArthur, 27, well known Redwood City man, and more recently of San Francisco, who was fatally injured in an automobile accident near Santa Rosa Friday night.

MacArthur's skull was fractured when the automobile in which he was riding failed to make a curve and overturned after skidding. It was being driven by Barney Lapachet, a San Francisco friend of MacArthur's, who had invited the latter to ride to Santa Rosa.

Lapachet was only slightly hurt. MacArthur was taken to a hospital in Santa Rosa, where he passed away Saturday night.

MacArthur's sister, Miss Eula MacArthur, was killed several years ago at Reno when she was accidentally thrown from an automobile as it turned a corner.

The widow, Mrs. Grace MacArthur, and the father, Ernest MacArthur, survive.

The MacArthurs resided here until about a month ago, when they removed to San Francisco, where he had obtained employment with the Standard Oil Company. She was a graduate of Sequoia high school, with the class of '24, where he was student body president. He attended the University of Nevada and was also a University of California man. He studied structural engineering.

Rites were observed at the funeral parlors of Gantner, Felder & Kenney, 1965 Market street, San Francisco, at 2 o'clock. Interment will be in Cypress Lawn Cemetery.

Redwood City 30 Years Ago

Henry Comper was here from Oakland visiting some of his friends.

The home of Mr. and Mrs. Perry at the Virginia Mills, was made happy Sunday last, the 18th, by the arrival of a son.

The brickwork on the new high school is nearly completed and the slating for the roof has arrived. It will not be many months before the pupils of Sequoia will be in their own building.

J. H. Coleman was here Wednesday and signed the contract, detail drawings, specifications and approved the bonds and all documents pertaining to the construction of the new court house. Work on the building will probably begin next week.

The Rev. Maar, who has preached in the Congregational church here for over seven years, will preach his farewell sermon tomorrow. Mr. Maar will be missed by all of the church attendants of Redwood, as he has made himself generally loved by the people of this community.

Alexander M. Robertson, the pioneer bookseller on Post street, San Francisco, has purchased the Kirkpatrick house. He plans immediately to remodel the house and improve the grounds, and make it his permanent residence.

Menlo Park

Mayor W. H. Weeden, Councilman Euguene Crane and the mayor's daughter, Isabelle Lindquist, and her children, Billy and Emma Roberta Lindquist, were among the local people who were in Sunnyvale Sunday when the Macon completed her successful flight to her future home at Moffet Field.

Mrs. Kenneth Martin is still quite ill at her home in Hoover street.

Mrs. Catherine Derry and Mrs. Peter Keenan attended the Native Daughters of the Golden West dinner which Bonita Parlor gave Thursday night in Redwood City. District Deputy Grand President Isabelle Weeden Lindquist was also present.

During the dinner Ambrose McSweeney, who was a guest at the annual Columbus Day dinner which Redwood Parlor N. S. G. W. gives each year, accompanied a committee of Native Sons to the Native Daughter's banquet hall and presented Junior Past Grand President Evelyn Carlson with a corsage of orchids. Grand President Irma Laird was called to Alturas because of the illness of her father and the junior past president presided at the official visit in her stead. During the evening District Deputy Isabelle Lindqnist was presented with a topaz necklace, and in response to a request stepped down from her seat of honor and sang Rudy Seiger's "California Lullaby."

Charles and Mary Thomas of Monterey visited with their aunt, Mrs. W. H. Weeden Wednesday.

Plans are about completed for the bazaar which the American Legion Auxiliary will give in the very near future. Besides fancy work, practical articles and jams and jellies will be sold. There will be a fish-pond and other attractions for the children with fortune-telling and dancing for the older children. Money derived from this enterprise will be used for the hospital work which the unit is so successfully carrying on, and which is a severe drain on the finances of the organization. Hospital Chairman Isabelle Lindquist sang for the boys in Ward 17 at the local United States Veterans' Hospital Tuesday afternoon. She was accompanied by President Ethel French and Mrs. M. Bullivant of Redwood City. Cigarettes and candies were passed around to the boys and plans were made for another visit on the 21st of November.

United War Veterans of San Mateo County Council will postpone their meeting until Friday October 27, in Burlingame Legion Hall according to Comrade A. J. Dempsey of Redwood City, who is president of the United War Veterans of San Mateo county. All delegates and alternates are urged to attend.

Grand Organist Clara Giraurd of the N. D. G. W. is arranging another radio program over station KQW in San Jose on Monday, October 23, at 10 p. m., and it is hoped the people of the community will listen in and write favorable comments to the station. These broadcasts mean a great deal to the Native Daughters' organization, and your word of appreciation will be helpful.

Doctor Redmond Cochrane and his charming wife have just returned from the Chicago fair where they went three weeks ago. The visitors from sunny California enjoyed the big exhibition.

Mr. and Mrs. J. William Ryan entertained the Companions Card Club this week at their Menlo Park home. Those present were Mr. and Mrs. J. B. Grill, Mr. and Mrs. Mark J. Laughlin, Mr. and Mrs. J. Ahern, Mr. and Mrs. Adolph Seiller, Mrs. Margaret Gale, Miss Alice Ryan, Joseph Brophy, Mr. and Mrs. Max Mielke, Mr. and Mrs. James Murray.

Mrs. K. L. Martin, wife of the well-known local plumber, is recuperating from a severe illness.

At the regular meeting of the city council held Tuesday a week ago, Joseph Siebert and the Menlo creamery were granted permits to sell beer at their grocery stores on the highway. At the last session of the council these applications for licenses were held up owing to a protest from the Parent-Teacher Association for the reason that the places adjoined the Central Grammar School.

The Blue Moon dance hall was given permission to give a dance on Halloween.

Mayor Weeden read an acknowledgement of a receipt of a telegram sent to the president. He also read a letter from Admiral Williams inviting the citizens of Menlo Park to attend the festivities at Mare Island on Navy Day, October 27.

The application of Matthews and McCreary was laid over for the reason that they had no place of business in Menlo Park.

A letter was read from the Merchants' Association asking that some thing be done to curb the speeding of heavy trucks through town. Mr. Hoss, the Rev. Bone, Mr. May and E. M. Rankin addressed the council on the subject of speeding making vigorous addresses protesting against traffic violations. Police Commissioner Crane assured the speakers that Chief Kearney would be instructed to enforce the law and arrest all who persisted in speeding.

Residents of Cotton street petitioned the council to give their approval and to request the supervisors to improve said street similar to Hermosa way at a cost not to exceed the sum of $150. The request was granted. The funds have already been raised.

Rudolph Knudsen of Menlo Heights had as his guests for the week-end his son and daughter-in-law, Mr. and Mrs. Kay Knudsen of Monterey.

Mrs. W. A. Newcomb, daughter of Rev. and Mrs. Ralph Smith, gave a luncheon at the Hotel St. Claire Monday a week ago for members of Trinity Episcopal guild. Bridge followed in the patio of the hotel.

Mrs. J. W. Ryan gave the regular monthly card party for the P.-T.A. hot lunch fund at her home on Johnson avenue. Honors were awarded Mrs. J. Morey, Mrs. A. Seiller, Mrs. Peter Bush, Mrs. Isabelle Lindquist and Mrs. C. M. Weeden.

After a short business meeting the members of the American Legion auxiliary held a birthday party in honor of Pres. Ethel French at the Menlo Barbecue. Mr. and Mrs. George Condos, who are active members in the Post and Unit served a delightful supper, and Mrs. French was surprised as well as happy to be remembered by the members of her unit on her birthday.

Members of the American Legion post and auxiliary are invited to attend installation of officers of the San Mateo council of the American Legion post in San Bruno, Friday, October 13. Department Commander Homer Challieux and other important legion officials will be present. Among them will be Department Adjutant Jim Fisk who will give a report on the Chicago convention. There will be a program followed by dancing and refreshments.

In an 18-inning 3-3 tie between White Sox and Yankees each team made 11 hits, none of them for extra bases, each scored in the same innings, and neither made an error.

All British civil aircraft use air-cooled engines.

Ralph Shields To Be Commander Of Local V.F.W.

Ralph Shields was elected commander of Redwood City Post No. 2310, Veterans of Foreign Wars, at its meeting Tuesday night in the Veterans' Building.

Other new officers are Earl Crowe, senior vice-commander; Louis Atkinson, junior vice-commander; Warren Chandler, officer of the day; Maj. G. H. Pryor, quartermaster, and Andrew Stewart, chaplain.

The retiring commander, Donald Sevier, presided. The post was paid a surprise visit by the uniformed drum and bugle corps of Joseph P. McQuaide post, No. 1205, of San Francisco.

Date of the proposed military dance scheduled for the evening of Armistice Day, November 11, was postponed to November 18 in deference to the American Legion dance at Belmont on the 11th.

A card party is to be held by the V.F.W. in the Veterans' Building the evening of Wednesday, October 25. On the committee are Messrs. Crowe, Pryor, Dean and Coy. Vice-Commander Atkinson was appointed chairman of a smoker for the evening of November 1.

Al Bechet reported that money had been raised for purchasing basketball equipment for the post's team, and that practice is starting for the opening game November 8.

A communication from the local NRA committee thanking the V. F. W. for its turnout of 65 in the recent NRA parade was read.

Refreshments were served following adjournment at 11:30.

The world's largest stadium is at Soldiers' Field in Chicago.

NOTHING DOES SO MUCH FOR SO LITTLE AS YOUR TELEPHONE

A telephone serves every member of the family

Mother, with her household errands and messages. The young people, with their school activities. Father, keeping in touch with work and business opportunity.

It puts you in the circle of the easy-to-reach, where friends can keep in touch with you.

A single emergency of fire, illness, accident, may make it worth more than it costs in a lifetime.

If you bought GAS HEAT as you buy GROCERIES

YOU LOOK for the grocer's bargains. That's wise buying. It saves you money, or permits you to set a better table within your budget.

Natural Gas is a bargain buy. Let's imagine it's being sold in cans on the grocer's counter.

In the old days of manufactured gas, you bought the small can containing 550 units of heat. Now for the same price you get the large can, containing 1150 units of heat.

That's more than twice as much heat, twice as much for your money. You'd appreciate that bargain if you took your gas home in a market basket. But gas is not sold that way. It is delivered to you in your home, at the very spot you want it, silently, efficiently, with no bother to you. And you don't pay for it until after you have used it.

Every home today can afford the comfort, convenience and cleanliness of the gas range; of automatic hot water; of house heating—all made possible by this bargain offering of Natural Gas, the naturally better fuel.

Fire Chiefs to Hold Meeting At Woodside

WOOSIDE, Oct. 16.—Peninsula fire chiefs will gather at the Woodside firehouse next Friday evening, October 20, for their regular monthly meeting. Chief Welte of the South San Francisco department, who is president of the group, will preside and the topic of interest to the chiefs at this time is the formation of a coverin system, whereby one department of the peninsula may give help to another in case of a serious conflagration.

Roger Komsthoeft, son of Mr. and Mrs. Albert Komsthoeft of Prospect way, has entered Stanford University and will pursue his studies in the medical department.

Mr. and Mrs. John Rosekrans of the Canada road left this week for New York in order to be present at the horse show there at which a number of horses from the Rosekrans stables will be on exhibition.

The fire alarm on Saturday evening was occasioned by a fire of unknown origin, discovered in a heap of rubbish at the intersection of the old La Honda road and the Skyline boulevard. No damage resulted from the blaze.

Son Is Born to Mr., Mrs. Brant

A son was born Sunday to Mr. and Mrs. R. J. Brant of Menlo Park at the Palo Alto Hospital. Mrs. Brant is the former Miss Alice Summerville of Redwood City, a Sequoia high school graduate.

The same income tax is paid by federal employes as by other civilians.

Attend Meeting Of W. R. C. Board

Mrs. Mary Winter and Mrs. Ida Thompson of this city were present Saturday at the Woman's Relief Corps home at Winchester for a meeting of the home board.

Luncheon was served, followed by a program by the residents of the home in honor of the department president, Mrs. Eva Christman of Modesto, and her staff.

Women living at the home donated $75 for the relief corps memorial window at the new Presidio chapel in San Francisco, to be dedicated February 11. At its meeting Friday, the Gen. George S. Evans Relief Corps of this city donated $10 toward the window.

Mrs. Belle Donovan, president of the home board, presided at Saturday's luncheon.

Halloween Carnival Is Planned

Following their yearly custom, members of the Epworth League of the Methodist church will hold a Halloween carnival the evening of Tuesday, October 31, at 7:30, in the social hall of the church.

Plans for the event were made at a meeting last evening, with the president, Miss Gertrude MacPherson, presiding.

Miss Mildred Dodge, fourth vice president, is chairman of the Halloween event.

Plans were also made for the San Mateo county alliance rally which is to be held at the local Methodist church October 27 at 7:30 p. m.

RECOVERING AFTER SERIOUS ILLNESS

Mrs. K. L. Martin of Menlo Park is convalescing after a serious 10-day illness.

Mr. C. M. Doxsee Heads Trustees Of Co. Schools

Mr. C. M. Doxsee of Redwood City is president of the San Mateo county school trustees following his election at a recent meeting at the San Mateo high school. Mrs. Hugh Allen of San Bruno is the new secretary-treasurer.

Mr. Edward Miller of Burlingame gave a talk on "Liability of School Trustees," and there was discussion on making school buildings earthquake proof and the liability of school trustees in damage due to earthquakes.

Miss Pansy Jewett Abbott, superintendent of schools, spoke on the Riley-Stewart act and its effect on the schools. The meeting was conducted by the retiring president, Mrs. L. G. Owen.

Court Madrone Fetes Chief

In the presence of 125 members, including visitors from Santa Cruz to San Rafael, Court Madrone No. 158, Foresters of America, honored the official visit of the grand chief ranger, N. Charles Brusatori, Saturday evening.

The occasion marked the 36th anniversary of Court Madrone. A class initiation for six candidates was presented by the degree team of Court Colma. Three charter members were honored.

Guests included past grand chief rangers, William Klinger, J. Label and A. Springer; Frank Zelich, grand secretary; W. Harber, grand senior woodward; S. Ward of Santa Cruz, grand recording secretary; George L. Solari of Redwood City, grand trustee. A banquet was served.

Native Daughters Honor Ex-Official

In the absence of Mrs. Irma W. Laird, grand president, who was suddenly called to her home in Alturas, members of Bonita Parlor, Native Daughters of the Golden West, honored the past grand president, Mrs. Evelyn I. Carleton of Atherton, at their dinner Thursday evening.

More than 30 were present, including a number of grand officers. A committee from the Native Sons, headed by Ambrose McSweeney, presented a corsage of orchids to Mrs. Carleton.

With Miss Theresa Delucchi presiding over the banquet, held in the Del Monte Grill, the following grand officers were in attendance: Grand Marshall Anna Theusen, Grand Trustee Alice Lane, Grand Sentinel Alice Oldham, all of San Francisco; Grand Organist Clara Gairaud of San Jose; Mrs. Rene Mathias of Daly City, supervising district deputy, and Deputy Grand President Isabelle Lindquist of Menlo Park.

A meeting in Odd Fellows' Hall followed, and refreshments were served.

Firemen Planning Hard Times Dance

Next Friday evening is the date of the hard-times costume dance to be given by the Redwood City Volunteer Fire Department. The dance, to which the public is invited, will be held in the auditorium of the Central firehouse.

The largest Gothic cathedral in the world is at Seville, Spain.

The affair will be held in Berchman's Hall, the original Ralston home, and tea will be served by the college girls. The following committees are in charge of the affair:

Reception—Miss Kessing Moroney, chairman; Joanne Stolich, Dolores McAuliffe, Frances Sequin. Luncheon—Jeanne Marie Bacigalupi, Helene Smith, Esther Williams, Betty Wallace, Virginia Dorsey.

Decorations—Althea Ross, chairman; Mary M. Quinn, Marilyn Burdette, Truella Jensen.

A $1,200,000 bridge, about two miles long, is to be built over the Bonnet Carre spillway, which protects New Orleans from Mississippi river flood danger.

'Peninsulan,' In New Form, Off the Press

The Peninsulan, heretofore a weekly publication, has just come from the press as a monthly, and in a new dress.

In size five and a half by seven and a half inches, the new Peninsulan is, in fact, a small magazine of information concerning society, drama, commerce, art, sport and other interests of the San Francisco peninsula. The cover of the October issue bears a sketch of San Mateo county's mystery figure—John William Marchbank.

Treatment of its topics by The Peninsulan is breezy and informative.

Mr. Robert Morris Carmack, 90 Finger Lane, Redwood City, is publisher of The Peninsulan.

Sixteen accidents, on American air passenger lines occurred at night, while 32 occurred in the daytime.

Live Oak Troop Enjoys Outing

Members of Live Oak troop of Girl Scouts enjoyed a recent outing at the scout barn at Woodside under the direction of their leader, Mrs. T. L. Williams. The girls made a barbecue pit, and to permit the cement to set they prepared their evening meal over open fires. A hike was on the program before the return home. Margaret McCarthy is troop correspondent.

GARDEN SECTION TO CONVENE ON FRIDAY

The garden section of the Redwood City Woman's Club will hold its regular meeting Friday afternoon at the home of Mrs. S. B. Dole, 716 Hopkins avenue. All club members interested in gardens are invited to attend.

Honor Roll At M'Kinley School Is Made Known

Report cards were issued yesterday at the McKinley Intermediate School. Boys and girls of this school have shown an honest effort to do their level best as is indicated by their attendance, their attention to the habits of good citizenship and their attitude toward their work.

During the first months of school the average daily attendance was better than 430 pupils. One class had a 99 per cent attendance for the month.

Mrs. Lauretta Paulsen is pleased to announce the following honor roll composed of pupils whose average is better than a "B," as follows:

7A class—Marjorie Lee Baum, Nadine Johnson and Ruth Myers.

7B class—Jack Duttweiler, Donna Carrington and Jack Brunings.

8A class—John Dusel, Robert Carlson, Geneva Crouch, Dempsey Farrell, Dixie Gibson, Kathleen Hutton and Jack Marshall.

8B class—Aurelia Blood, Walter Farrell, Delores Feeley, Larry Freer, Mildred Irwin, Joe Lancaster, Dorothy Mulcady, James Seymour and Takeshi Shiba.

Nelson Otis, 17-year-old Cleveland swimmer, finished sixth in the finals of the 440-yard free style dash in the National A. A. U. championships in his first appearance in a natic .al meet.

Seats for Opera 'Patience' on Sale

Seats for the light opera "Patience," by Gilbert and Sullivan, to be presented Friday and Saturday evenings, October 27 and 28 in the auditorium of the Burlingame high school, go on sale today.

The cast of 10 principals, a chorus of nearly 100 voices and an orchestra of 25 instrumentalists make up the ensemble which is being directed by James C. Fyfe. Fred Carlyle is dramatic coach.

A chorus of 50 women's voices will be heard in the opening number of the opera when the curtain rises on a woodland scene near Bunthorne's castle. The singers are all trained musicians and many of them have sung in leading roles in other productions.

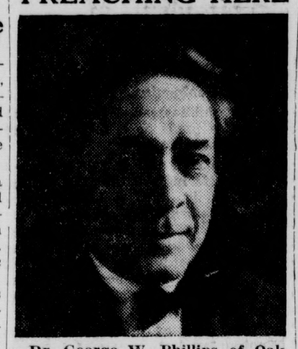
In the chorus are Caroline Mangels, Adeline Zarcone, Betty Defendorf, Flora Gearhart, Helen Morgan, Suzanne Butts, Mabel Wright, Leth Vandor, Charlotte Knudsen, Kate Stapff, Anna Dickey, Lucille Howe, Molly Reed, Mary Edwards, Evelyn Mattison, Ammy Quinn, Helen Marshall, Jessie Haag, Agnes Hoffman, Myrtle Cleese.

Florence Vannier, Jessie Briggs, Ruth Scheeline, Catherine Jones, Alice Ward, Mary Stamford, Maud Kreutzer, Mary Stoddard, Lillian Bloomfield, Hollis Norberg, Margaret Fuller, Verda Pope, Florita Hutchings, Doris Vannier, Olive Golden, Isa Gerry, Gertrude Baker, Zemula Pierce, Bernice Barnett, Mary Finneran, Grace Douglas, Lillian Chick, Isabel Larsen, Edith Burton, Dorothy Johnson, Mary Storm, Doris Dower, Lillian Bramlett and Dorothy Deering.

A chorus of male voices will sing the part of the Dragoon guards.

Tickets for the opera may be obtained at Wollmer's music store on Burlingame avenue.

PREACHING HERE



Dr. George W. Phillips of Oakland, whose sermons from the 10th Avenue Baptist Church are well known to radio listeners, comes to Redwood City next Sunday to speak at the morning service of the First Methodist Church. This is one of four special services at the Methodist church during the coming weeks.

Dr. George W. Phillips, pastor of the 10th Avenue Baptist Church of Oakland and widely known as the radio preacher of KTAB, will speak at the morning service of the First Methodist Church next Sunday.

Vocal soloist for the occasion will be Mrs J. E. Morrish, soprano.

In the evening Miss Helen Ferris, a missionary in China for 13 years, will be the speaker. Miss Ferris for many years was vice-principal of the Rutherson school in China.

Indiana University has a quarterback candidate named "Rip" Peters. Purdue, fondest foe of the Hoosiers, has a regular guard also named "Rip" Peters.

Trio Is Improving After Plane Crash

Attendants at the South San Francisco Hospital today reported members of the trio which escaped death in the airplane crash at that city Friday are improving. The injured are: Roy Deaton, 38, 601 El Camino Real, San Mateo, pilot, and his two women passengers, Mrs. Sylvia Duboisi, 26, 234 Miller avenue, South San Francisco, and Miss Richards, 25, Seattle.

After the private biplane from Mills Field struck "motorcycle hill," Mrs. Duboisi crawled down the incline to the highway. She was found in a semi-conscious condition.

R. C. Holds Lead In Campaign for Y.M.C.A. Funds

Reports from Burlingame and San Mateo show these cities still running behind Redwood City in their effort to be the first to secure their goals in the finance campaign of the Young Men's Christian Association. Redwood City stands at the 80 per cent mark, Burlingame is second with 61 per cent, and San Mateo is trailing with 59 per cent raised.

The local campaign chairman is asking every worker to "clean up" his cards this week so that the committee may know just where it stands.

Palo Alto, which is also connected with this district, started its campaign on October 12 and now has about 30 per cent of its goal raised.

ROBBED OF $20

BELMONT, Oct. 16. — Henry Quagulli, 31, Burlingame insurance man, told authorities he was slugged by two men near here last night after parking his auto on the old county road, and robbed of $20. He said the pair drove up in another car.

'Moulting Angel' Cast Announced By Ralph Welles

Ralph Welles, general director of the Palo Alto Community Players, has assembled a strong cast of seven players for the Friday and Saturday production of his three-act comedy, "The Moulting Angel," to be staged in the city's new theatre in Rinconada Park.

At least three of the actors have been on the professional stage—Ralph Welles, Gretchen Rounds and Janet Large. In addition to these, Judge Egerton Lakin will make his first appearance with the Palo Alto Players in a congenial role. More and more the mature members of the community are being drawn into the Players' group, a healthy indication of the community's interest in this civic enterprise.

Stanford University will be represented by Frances Slanina and Joseph Whitaker. The latter will be remembered for his brilliant work this summer in "Interference."

Complete cast is as follows:

Jimmie Wayne ...Ralph E. Welles
Nina Bennett....Gretchen Rounds
Earl Bennett.....Egerton Lakin
Jerry Wayne.....Janet Large
Kitty Lawler.....Frances Slanina
Wendell Wood.....Joe Lawry
Joe Lark.....Joseph Whitaker

Service Increased At Mills Airport

Immediate inauguration of new lines which will increase arrivals and departures at San Francisco Municipal Airport approximately 30 per cent was announced today with the signing of new contracts between the public utilities commission and two air service companies.

A fleet of three Lockheed-Vega planes will be operated by the Hargrove service with two round trips daily between San Francisco and Sacramento. This schedule begins at once and will be augmented October 25.

The Pacific Seaboard Airlines, now operating between San Francisco and Los Angeles via the coast route, will also offer three round trips daily to Sacramento, according to Captain B. M. Doolin, manager of the airport.

Six major companies now utilize Mills Field and new contracts will increase daily arrivals and departures from 35 to 45 planes.

Fire On Pescadero Creek Under Control

A fire which broke out at 10:30 Monday night near a sawmill of the Santa Crub Lumber Company on Pescadero creek was under control today after burning over 120 acres of timberland.

Fire fighters from Shrine Grove and the Civilian Conservation Corps camp near Big Basin were recruited to battle the flames.

You can't fool your stomach

So cook with CRISCO . . . the wholesome fat that digests quickly!

For goodness sake, go away if you must make so much noise!
Aw, she's nice but she's got one of her stomach spells!
Gee, but your mother's cross!
ONE OF MOTHER'S OFF DAYS

Look here—the paper says to use Crisco because it digests quickly. I wonder if Crisco would help me!
Why don't you try it? It's a pure wholesome fat.
MOTHER READS A TIP

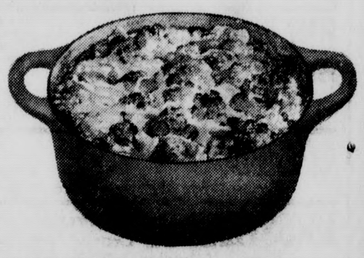
Come in, boys. How'd you like to try some Crisco cookies—they're good for you!
Didn't I tell you that she's as nice as your mother? She's this way all the time now!
MOTHER'S FINE NOW!

Don't mistreat your digestion. Treat it kindly with luscious flaky Crisco pies and crispy Crisco-fried foods. Your stomach doesn't have to work overtime on foods cooked with Crisco. Crisco is the light, creamy wholesome fat that digests quickly.

So make all your favorite pies now with Crisco! They'll come out of the oven so flaky and golden—not greasy and slow to digest! And fry with Crisco. No fear of fat-soaked foods if you fry properly with Crisco—heat your Crisco so hot that foods are instantly sealed in a crispy brown. They'll actually look "dry-fried."

By Crisco's own secret process sweet pure oils are changed into a fluffy creamy quick-digesting shortening. And Crisco stays that way *without* ice-box help.

Always look for the familiar blue-and-white label when you buy Crisco. Crisco is packed in sanitary, vacuum-sealed cans for *your* health protection.



MACARONI MEDLEY

1 onion
1 green pepper
4 tablespoons Crisco
1 lb. hamburger
1½ teaspoons salt
⅛ teaspoon pepper
⅔ cup tomato soup
½ cup water
2 cups cooked macaroni
¾ cup grated cheese
1 cup left-over cauliflower

Chop onion and pepper. Fry in Crisco (the *digestible* fat) until golden brown. Add meat and seasonings. Stir and fry for 5 minutes. Mix soup and water. Add to meat mixture. Stir well. Put half of macaroni in baking dish. Sprinkle with cheese. Add layer of meat. Make layer of macaroni, cheese, and meat again, saving out some cheese for the top. Arrange cauliflower flowerets over top. Sprinkle with cheese. Cover dish. Cook in moderately hot oven (375°F.) 25 minutes. Remove cover. Bake 10 minutes longer until nicely browned.

S. F. Furrier Held On Check Charge

Accused of giving an allegedly fictitious check to Arthur Duarte, local service station attendant, M. Cohen, 737 Sutter street, San Francisco, a furrier, was held by county authorities today.

Duarte, who received the check at the service station at Wellesley avenue and El Camino Real, told Deputy District Attorney Harold Anderson that he made several trips to San Francisco to give Cohen an opportunity to make the check good. It was for $10.52.

Deputy Sheriff Belton Rhodes booked the accused man.

Hobo Camps Razed As Health Menace

ATHERTON, Oct. 17.—Forty hoboes residing in six "jungle" camps in the Menlo Park-Atherton area were homeless today because their camps were destroyed by orders of Fire Chief Thomas Cuff of the Menlo Park fire district.

Cuff burned the bedding and improvised living quarters of the hoboes in an effort to rid the district of the menace to health and sanitation.

Dorothy P. Martin Asks Divorce Here

Wedded in Palo Alto in April, 1931, Mrs. Dorothy P. Martin today filed suit for divorce from August Martin Jr. Cruelty and willful neglect are charged in the complaint. The plaintiff asks custody of their minor child, Lila Joan Martin. Langdon and Tope of Stockton is the firm representing Mrs. Martin.

Dr. Blood Shares In Mother's Estate

Petition for probate of the will of Mrs. Mary M. Miller, Burlingame pioneer, was filed today by George B. Miller, her husband, and Dr. John N. Blood, her son. Mrs. Miller died in Burlingame on October 2.

The value of the estate, it is reported, will not exceed $20,000.

Dr. Blood inherits the separate property of his mother.

Outside Area Gets Nine New Residences

County Building Inspector William Watson Jr. announced today that building permits for the unincorporated area since September 15 have totaled $22,000. The permits were for nine new homes and six alterations, and were mostly in this vicinity.

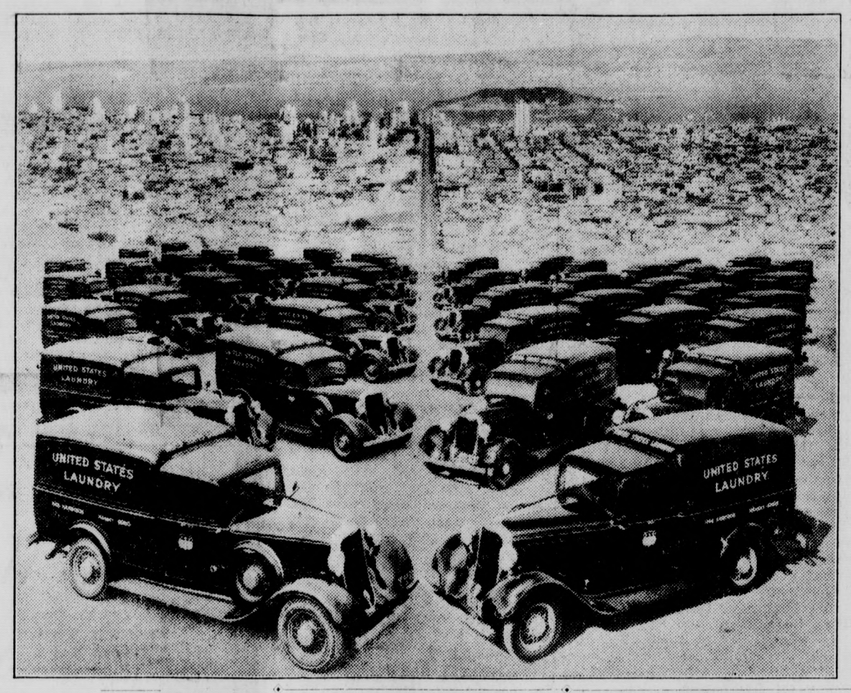
Local Laundry Supports 'Buy Now' With Purchase of New Fleet of Cars



Talking about ending the depression by buying is one thing and actually doing something about it is another. The United States Laundry, for years maintaining a service here and having extensive property holdings on the peninsula, was not satisfied with merely subscribing to its respective code for shorter hours and added employes, but has answered the president's request to aid recovery by actually buying.

An order for 44 new service cars makes cheerful news. Seven of these 44 go into peninsula service, to be operated by residents of the peninsula, a requirement of employment by the United States Laundry.

The courage and faith of the United States Laundry in the future of the peninsula, San Francisco and the nation sets a wonderful example in answering the peace time call to arms with dollars spent as ammunition. This example of Frank J. Huebsch, president of the United States Laundry, if followed by every individual or firm in like or smaller proportions, would bring the normal routine of business to life again in rapid time.

"We feel that the president is endeavoring to perform the most colossal task ever confronting our chief executive. To bring back the prosperity of this nation requires the whole hearted support of every citizen," is the way Mr. Huebsch expresses his firm's views. "We are all in this thing together and immediate spending for things really needed is the answer to the nation's problem. Buying now will put money into immediate circulation and will help all down the line. We are most happy to be able to do our part in helping the 'Buy Now' campaign."

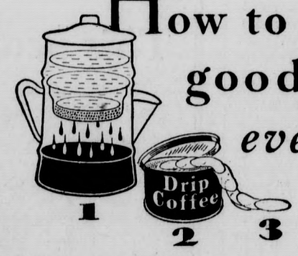
How to make good coffee everytime



Use a **Drip Coffee Maker** in which boiling water drips through a specially prepared coffee and a filter paper. **Specially prepared Schilling Drip Coffee.** Schilling Drip Coffee is specially blended, specially roasted and specially ground for the immediate extraction of all its rich, fragrant flavor. Coffee intended for a percolator is not adapted for the drip process in which the water drips through the coffee but once. **A filter paper** rests below the coffee to let through nothing but the delicious healthful amber drops. Real Drip Coffee cannot be made otherwise. For your convenience, filter papers are *packed in each Schilling tin.*

Introductory Offer! **$1.20**
